## 2 Webcasts - 1 Week - 100% Online Learn the Mobility Essentials of Equity Awards

Mobile employees present unique challenges when it comes to administration and taxation of equity awards. From tracking where the employee is at grant, vest, and payout, to what the rules are from state-to-state and country-to-country, this essential course will provide the answers and guidance you need in an intensive two-webcast format.

**Employees** 

### **Today's Workforce is More Mobile Than Ever**

This course is critical for today's stock plan professional navigating our increasingly mobile workforce and the unique challenges it presents. You'll learn tactics and strategies to ensure that you apply the correct tax treatment to employees' awards throughout the grant lifecycle and within a variety of states and countries, including:

- Who your mobile employees are and sourcing their income to each taxable event
- State-to-state complexities, including a discussion of several states with unique challenges
- International mobility issues, including totalization agreements, special issues for expatriates and business travelers, and avoiding double taxation through tax treaties and foreign tax credits
- Reporting and payroll issues

### **Opportunity to Apply Your Learning**

Webcasts will be led by industry experts who will explore the complex tax, accounting and administrative issues related to mobile employees. Supplemental materials will provide indepth coverage of topics discussed, and interactive guizzes will reinforce your learning and test your comprehension.
